MEMORANDUM FOR: Director, Defense Intelligence Agency

SUBJECT : DIA Scientific Advisory Committee
Imagery Panel Report

The Director has asked me to express his thanks for the final report of your DIA Scientific Advisory Committee Imagery Panel Report. We have reviewed the document and find it to be very interesting and comprehensive. I also note that it is generally in accord with the findings of the major imagery studies we have conducted during the past two years in which your staff has so ably participated. I am pleased to see so definitive an analysis of this important issue.
